GROUP 2100

AMENDMENT

Sir:

Please amend the application as follows:

In the Claims:

1. (AMENDED) A powered adjustable chair comprising:

a seat connected to a base for vertical movement with respect thereto
and having a surface for supporting a patient;

a back forming part of said chair and secured proximate one edge of
said seat, said back having a surface for supporting a patient;

a powered motion mechanism operatively connected to at least one of
said seat and said back;

a first power supply connected to said powered motion mechanism for
supplying power thereto at a first predetermined voltage;
